For over five decades, Bob Dylan has remained one of the most important figures in modern American music.

The Jack of Hearts Band authentically replicates the sound of Dylan-- from the early 60's folk scene to his radical electric conversion culminating in *Blonde on Blonde*, the Woodstock years, and through the 70's to masterpieces such as *Blood on the Tracks*, the Rolling Thunder Revue and beyond.

Dylan's legendary collaborators—The Band—who famously backed him on his '66 and '74 tour, as well as on *The Basement Tapes*, are also heavily featured.

Having performed across the United States, The Jack of Hearts Band continues to perform a spectacular live experience showcasing the very best of American folk rock.
